COLUMNS

CUSTOM COLUMNS

- 25 years of Quality Craftsmanship
- 100% custom capabilities
- Simple or complex architectural designs
- Available in most wood species and some synthetic materials
- Stain or paint grade versatility
- A skilled team of artisans with years of millwork experience
- All columns are individually handcrafted to your specific dimensions
- Minimal sanding required to pre-finish product
- Split or solid columns available

COMPOSITE COLUMNS

- We offer a complete line of round smooth, fluted and non-tapered columns as well as square smooth, fluted, raised panel, recessed panel and recessed panel pedestal posts
- Extremely durable composite products producing high-strength load-bearing parts
- Low maintenance
- Interior and exterior versatility
- Decorative caps and bases available to add beauty to your home
- Whole, split or cut-down columns available to meet your exact needs.
