

mantels

Customize your fireplace with a wood mantel from Wholesale Hardwood Interiors.

Since 1985, WHI has helped create a design statement with hardwood fireplace mantels. Our mantels are made from choice selected hardwoods. WHI offers a large selection of high quality mantels in standard and custom sizes available according to your specific needs.

Custom Millwork

WHI specializes in custom built cabinetry and millwork for your home or business. All of our work is designed and built to meet your individual desires and unique specifications. Whether you need a beautiful media center, home theater, bookcase, wall unit or special cabinets, WHI has the hand-crafted expertise to provide the quality and look you expect.

built-ins

raised panels

Provide elegance to any room with stain or paint grade paneled walls and wainscoting from WHI. Wainscoting transforms a bland space into a well-designed room by adding interesting detail to walls that lack built-in character.
